ALL-COUNTY INFORMATION NOTICE 1-12-80

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: CANCELLATION OF TITLE XX TRAINING UNIVERSITY CONTRACTS

REFERENCE:

The Health, Education and Welfare Department published on November 8, 1979 a proposed allocation for Title XX training designating only \$3.7 million to California. The latest information from HEW indicates that the \$61 million upon which the allocation was based has been further reduced by an increased expenditure for the fourth quarter ending September 30, 1979. HEW had estimated a \$14 million expenditure for the fourth quarter yet the claims submitted totalled \$20 million. The higher expenditure level reduces the amount to be allocated to \$55 million. HEW has indicated that California would then receive only \$3.1 million. In light of the severe cuts and uncertainty of HR 3434, the State Department of Social Services is being forced to give a thirty (30) day termination notice to all of the Title XX training contractors.

If the allocation methodology is changed by HEW or Congress passes HR 3434, the Department will reopen discussions with the universities for continued service.

I would like to request that your county write to the Conference Committee urging them to hold hearings on HR 3434 as soon as possible. Attached is a list of their names and addresses.

Thank you for your support and continued cooperation. This department will continue to make every effort to receive an equitable amount of Title XX training monies. Questions concerning this matter may be addressed to Al Colon at (916) 322-0181.

Sincerely,

JAMES H. GOMEZ
Deputy Director
